

SUMMER 2022

EXPERIENTIAL EDUCATION AT UNB

 **UNB** | Office of Experiential Education
EST. 1827 UNIVERSITY OF NEW BRUNSWICK

WORK INTEGRATED LEARNING

Are you looking to engage a student to support your organization's goals and priorities this Summer? UNB offers several ways to provide students with meaningful opportunities for work experience that support their personal and professional goals. UNB's students have a variety of talents, skills, and experiences to contribute to your organization.

Experiential learning:

- Increases diversity, energy, and enthusiasm in the workplace
- Provides fresh perspectives in non-profit or employer workplaces
- Attracts and employs motivated new workers or volunteers
- Retains students post-graduation in New Brunswick and Canada

Organizations may qualify for wage subsidy support to engage a summer student through the Office of Experiential Education - email experiential@unb.ca for more information.
